2008-2009 - VOLVO RACE: Ericsson 4 winner with Nautix.

Ericsson 4 is the winner of Volvo race 2008-2009. Following all competitors of this race, this victory is at first the result of the fabulous Ericsson team preparation before the race, selecting the best sailors and the best equipment resulting a low level of problems during the race.

From the early beginning of the project, Ericsson team involved Nautix in their project to study the different paint alternative solutions. Nautix supplied a full paint system including PE epoxy primer, A4Tspeed antifouling, Nautix Grip non skid, White Tspeed sliding paint ... and many other tailor made custom products for just more speed.

2008-2009 - VENDEE GLOBE

On the Vendée Globe, Top 4 was selecting Nautix primers PE, Antifouling A4Tspeed, Non skid Nautix Grip, Epoxy filler, Enamel L2.

Solo around the world record: Thank you Francis !!!

RECORD

On board IDEC (100' trimaran), JOYON has covered more than 26,400 nautical miles at the astonishing average speed of 19.09 knots.... with Nautix antifouling.

At the age of 51, Francis JOYON (FRA) is once again the fastest solo yachtsman around the world having completed the voyage in 57 days, 13 hours, 34 minutes and 6 seconds. He has shattered the previous record, held since 2005 by the British yachtswoman, Ellen MACARTHUR (B&Q - Nautix A4T.Speed white) by more than 14 days!
